Sagrada Familia

Questa spettacolare basilica è il monumento più visitato della Spagna. La sua costruzione cominciò nel 1882 ed il termine dei lavori è previsto per il 2026, ricorrenza del centesimo anniversario della morte di Gaudí. Il motivo dell'interminabile durata di questo capolavoro è dovuto al metodo di finanziamento dell'ambiziosa opera architettonica che è stato basato sulla raccolta di donazioni volontarie e, con l'apertura al pubblico, sull'ingresso a pagamento delle visite. Inizialmente l'opera era stata affidata all'architetto Villar, ma questi si dimise l'anno seguente a causa di disaccordi con la committenza. Gaudí assunse la direzione dei lavori a 31 anni e vi si dedicò fino al giorno della sua morte. Il maestro fece del cantiere la propria casa negli ultimi quindici anni della sua vita, finché fu investito da un tram nel giugno del 1926. Gaudí ha potuto vedere
